## We're here to help

Royalty Scope Nursing Services is your local home care provider, Run by registered nurses with the support of caring , experienced and qualified personal carers, caring is in our DNA. It is our duty of care to ensure and support your choice of living independently in your own home.

## No Basic Daily Fees

A basic daily care fee is allowed to be charged to Home Care Package consumers as a contribution to the cost of care which is calculated at 17.5% of the basic rate of pension.

## No Exit Fees

An exit fee is allowed to be charged by an approved provider when a client leaves their service. This may be when they choose to move their package to another provider, move into residential aged care or dies. This exit fee comes out of any funds you may have available in your home care package. If at any time you are considering moving to another provider, please speak with us as we are very open to feedback on our services and strive to always provide a high-quality service which enriches your life.

## Fee Changes

We review fees and charges annually and in conjunction with Government indexation / reviews. You will always be advised of any change before they come into effective. Each month you will receive a Royalty Scope Nursing Services financial statement

## Cancellations and Goods and Services Tax (GST)

- A minimum 24 hours' notice of cancellation applies or the full service fee will be charged
- Prices are exclusive of GST. Government funded customers do not pay GST on items listed as GST free in the legislation. For other customers, GST is payable on all services except for personal care, nursing and allied health services. If services are purchased via a third-party organisation, GST will be charged(e.g. another Home Care Package provider or TAC).

## Travel Cost

The staff travel cost to visit you will be charged at \$1.30 per km. The staff travel cost is the price per kilometre for a care worker to travel to visit your location to provide services. This cost is only when care worker has clocked in from their first client and not from their home to the first client and not from last client to home. Travel will be charged at \$1.30 per km for appointments or community access when using staff vehicle for transport.

The maximum distance travel will be capped at 25km per visit. There will be no charge to you if distance is over 25kms, capped at 250kms per fortnight. If we are to travel more than 25kms to provide your care per visit, we won't charge you anything for the distance over 25kms. We also won't charge in excess of 250kms in any one fortnight.

For consumers receiving allied health and other services there will be a separate quote/charge for kilometres travelled for that month.
